YOUR PARTNER IN STRATEGIC BUSINESS SECURITY

Retail Outlet

- General retail storeowners and/or staff suffer the third highest rate of armed robberies.
- One third of all general retail stores have been burgled, and 13% have been burgled more than once.
- Of all retail segments, general retail stores are more likely to suffer vandalism, cheque/credit card fraud and especially shoplifting, on a repetitive basis.

Who is Theft Prevention

Theft Prevention specialises in providing customers security strategies, solutions and services that meet the specific needs of our customers businesses and homes.

We are committed to providing our customers a professional, quality experience and are focused on delivering the best customer service possible.

'Theft Prevention provides a full range of security products and services, such as CCTV, alarm monitoring and security audits'.

Switching To Theft Prevention Is Easy

To find out more about how we can help your business improve its security and increase its profits, either

- Fax this completed sheet to (03) 9593 8856

- Remove and complete the top of the brochure and post it to Theft Prevention
- Contact the Theft Prevention office at 1300 133 023 (24 hrs/7 days per week)

Yes No

- Does your cash register regularly not balance at the end of the day?
- Do you notice items of stock missing that have not been sold?
- Do you notice empty packaging?
- Has your store been the victim of an after-hours break-in?
- Would you like us to show you how to increase your profits by 35%?
- Are you confident your intruder alarm will detect and report all intrusions upon entry?
- Does your alarm incorporate fire and panic protection?
- Do you have multiple stores and want to watch each of them any time of the day?
- Would you like a free security audit (value \$550) to identify all your security issues (conductions apply)?

If these questions have raised any concerns, please contact us ASAP for a confidential discussion..
